Golfkentät:

LIGHTHOUSE GOLF COURSE

Proud member of European Tour Destinations since 2016.

Lighthouse Golf Course is designed by the famous ex-Ryder Cup Captain - Ian Woosnam. The championship golf course is of a "links" design. Contributing to the stunning scenery are the outstanding natural landscapes around which Ian Woosnam has created a brilliant selection of holes. The golf course offers an exciting challenge to both professional players and amateurs alike. All of whom are most welcome to test their skills. www.lighthousegolfresort.com/Golf-in-Bulgaria/Lighthouse-Golf-Course

BLACKSEARAMA GOLF COURSE

Endless sea view from the height of 200 meters towards the magnificent and extremely diverse bay from Cape Kaliakra to Cape Galata of the Black Sea - this is BlackSeaRama, the first championship signature golf course in Bulgaria - 18 holes, par 72, length of 6648 meters - and the first completed project of Gary Player in Eastern Europe.

From a flat terrain, a magnificent classical cliff-top links golf course is created, with intimacy at very each of the fairways and with greens, often exceeding the regular sizes. The whole design is fulfilled with respect towards the player, as it gives him/her a maximum of the chance for a good round at a high-class golf course, where the wind - as it is usual when close to the sea - is often a significant factor.

This award-winning course - Best new golf course in the world for 2009 (in the international category of the Golf Inc. magazine contest) is destined to be explored and to reveal the wonders of the game. www.blacksearama.com/en/Golf-in-Bulgaria

THRACIAN CLIFFS GOLF COURSE

"You will not find a golf course like this anywhere else on the planet." Gary Player

Framed by rugged coastal cliffs and the vast blue of the Black Sea, the 18-hole Gary Player designed Signature course at Thracian Cliffs is one of the most dramatic golf courses on earth.

Located on the Marina Village circle the Club House offers golfers a comfortable place to meet, have a casual meal or drink as they begin their adventure on the course and as they return to reminisce of the highlights of the day.

The full service Pro Shop is located adjacent to the Club House with a wide range of golf clothing, equipment and golf balls – something every golfer should have plenty of in their bag for this spectacular course. www.thraciancliffs.com/golf.php
